TICSAS Annual Report 2021-2022

TICSAS: Weaving the web of innovation

TICSAS (Technically Innovative Computer Science Association of Santhigiri), is one of the curricular platform of Santhigiri College. The association of Computer Science Department organizes various intra class and inter-college activities all through the year. All activities are organized by student committees and guided by faculty coordinators of the Department. Association organizes different activities for students during each month. TICSAS aims to promote the social, cultural and technological empowerment of students in computer science department.

Education systems around the world were being pushed to look for alternatives to in-person instruction due to the COVID-19 pandemic. Consequently, an unprecedented number of educators and learners had embraced online instruction. The computer science department engaged our students in a variety of activities with the use of ICT tools (Zoom, Google Meet, Webex, etc.), which revolutionized classroom communication techniques and altered instructional tactics. The activities conducted by TICSAS for the academic year 2021-22 were categorized under four titles.

TICSAS MONSOON EDITION (JUNE 2021 - JULY 2021)

TICSAS SPRING EDITION (AUGUST 2021 - OCTOBER 2021)

TICSAS WINTER EDITION (NOVEMBER 2021 - JANUARY 2022)

TICSAS SUMMER EDITION (FEBRUARY 2022 - MARCH 2022)

1. TICSAS MONSOON EDITION

The various programmes organized under Monsoon Edition are Color me Green, Monsoon Symphony, Master Mind, Monsoon Ludo, Treasure from Trash: A Recycle Garden, Trollenmare Ethille Ethille, Coffee with Techies.

a. Color me Green

In connection with World Environment Day, TICSAS organized a photography competition on the theme “Color me Green”. The competition was organized to create environmental awareness among the students and to enrich their photography skills. The competition was held from 31-05-2021 to 05-06-2021, and Jacob Shaju of S2BCA B Batch won the first prize.

COLOR ME GREEN

This is a photography program held for the students of Computer Science Department. This program will start on 31-05-2021 and the results will be declared on Environment Day. Winner will be awarded a cash prize of ₹250. Winner of each class will be decided on the basis of student's poll, and the final Winner will be decided by the department committee.

RULES

- The theme is based on the nature photography.
- Participant needs to send 1 picture in the theme given.
- The photograph should also have an attractive caption.
- Using GPS camera the location and time of the taken photo should be there.
- Professional camera cannot be used. Any phone can be used to take the photo.
- Editing including colour enhancement, use of filters are not acceptable.
- If the pictures are picked from any other platform, it will be disqualified.
- Decision is taken by the department and it will be final and binding.

b. Monsoon Symphony

“Monsoon Symphony” is an entertainment event organized by TICSAS with the aim of reducing the stress of online classes. Students of various classes actively participate in the programme. The event was a symphony of songs sung by students of computer department. The songs were shared online for the entire students to enjoy. The programme was held on 12-06-2021
