TICSAS ACTIVITY REPORT 2022-2023

One of Santhigiri College's academic platforms is TICSAS (Technically Innovative Computer Science Association of Santhigiri). Throughout the year, the association of the computer science department hosts a variety of programs for the students. Student committees oversee all events, with department faculty coordinators serving as advisors. Each month, the association plans various events for the students. TICSAS seeks to empower computer science department students on a social, cultural, and technological level. To ensure that the teaching-learning evaluation is carried out correctly, TICSAS activities center on problem-solving approaches, experiential learning, and participatory learning.

PHOTOSHOP WORKSHOP
A skill development activity for the second year students of BCA was organized by TICSAS in association with department of media studies.
