Department of Social Work, Santhigiri College of Computer Sciences cordially invites your presence to our 2nd National Conference, Dyothana 2020- Awakening through Human Rights, on 29th February 2020.

OUR COLLEGE

Santhigiri College of Computer Sciences established in 2002 is a CMI Organization that strives to achieve excellence in education by imparting professional and non professional courses through 6 academic departments and one non mainstream department. We envision a better future for the students and faculty alike and upholds its values of promoting quality education and training to improve opportunities for all, especially people living with disability. In addition to the academic stream, Santhigiri management also constitutes of a rehabilitation centre, where the whole Santhigiri journey began in 1988, aimed at promoting the basic and educational rights of people living with disability.

OUR VISION

Awakening to the Future.

OUR MISSION

Holistic and Integral development of the individual rooted in faith in God, justice, knowledge and human values.

SANTHIGIRI

COLLEGE OF COMPUTER SCIENCES

Affiliated to MG University and Approved by AICTE

The Department of Social Work is one of the six academic departments at Santhigiri Campus where we believe in promoting learning through academic and non academic activities of social importance. Our strong staff team constitutes of social workers with practical experience in national and international realms. The department has been contributing to the profession by training committed social workers who embrace the values and ethics of social work practice.

Dyothana is a platform for academic learning and enrichment through research based activities. Dyothana 2020 marks a journey of awakening with a slogan that resonate the rights of every individual. The theme has been specifically reflected in all the activities that the department of social work has initiated in 2019-2020 as we live in a time and epoch that questions the rights of each and everyone of us in one way or the other. We aim to open discussions, dialogues and debates to ensure that we are able to showcase your research initiatives at Dyothana 2020.
