REPORT on ICACC-2023

Name of Programme	International Conference on Advanced Computing and Communication Technology (ICACC-2023)
Objective of the programme	Provides an opportunity for Researches, Scientists, Academicians and Engineers in the field of computer science and Electronics to interact with experts from industry as well as leading organizations
Target audience / Batches	Research Scholars, Academicians, Industry experts, faculties, students
Date Conducted	February 10, 2023
Venue	SIM Hall
Time and Duration	9.30 am to 4.30 pm
Description of program	International Conference: It is defined as a platform to share latest and innovative ideas with peers and senior group of people from different part of world by the help of a PPT presentation. ICACC-2023 presented numerous invaluable opportunities to refine vision by learning new skills
Chief Guests/ speakers if any	C/o Mr. Anoop Ambika - Mr. Tom Thomas
Guests Profile	Chief Operating Officer, Kerala startup mission
Content of speeches	People who dream of starting their own business lack the resources to do so. As a result, their ideas, talent and capabilities remain untapped. So be creative and re-search more on the areas where you really want to achieve
No of Students participated	120
No of Faculties participated	16
Who organized it	Department of Computer Science
Outcome of program	ICACC-2023 offers the opportunity to hear from industry leaders, ask questions, and discuss the topic. It is an opportunity to expand the knowledge that one has and upgrade performance in accomplishing institutional objectives. Conferences bring together people who share a common discipline from different parts of the world, bringing different forms of ideas which build into something greater.
List supporting documents/Attachments	Posters, Photographs

CALL FOR PAPERS

About ICACC:

The conference aims to provide an International forum for exchanging ideas among researchers, students, and faculties. It provides a common platform to discuss their technical work and research on interdisciplinary areas of Computer Science. It also aims to provide an outstanding interface to address recent trends and challenges in Computer Science and its numerous applications. After Peer reviewing selected papers will be published in IJSDR journal.

SCHEDULE

- 09:30 am Registration
09:30 am Inauguration : **Mr. Anoop Ambika**, CEO Kerala Startup Mission (KSUM)
11:00 am Keynote Session 1 : **Dr. Jeeva Jose**, Associate Professor, Department of Computer Applications, MPC College, Ponnani.
- 12:00 pm Keynote Session 2 : **Dr. Bosco Paul Alapatt**, Head - School of Sciences, CHRIST Deemed to be University, Delhi NCR Campus, Ghaziabad.
- 12:45 pm Lunch Break
01:30 pm Paper Presentations (Parallel Sessions)
03:45 pm Valediction

ABOUT COLLEGE

Santhigiri College of Computer Sciences, managed by CMI Factors, was established in the year 2002 affiliated to MG university and approved by AICTE. It presents Santhigiri trains more than 1000 students in six academic departments focusing on their holistic development.

OUR VISION

Awakening to the Future

OUR MISSION

Holistic and Integral development of the individual rooted in faith in God, justice, knowledge and human values.

ABOUT COMPUTER SCIENCE DEPARTMENT

Department of Computer Science offers MCA and BCA programs. The mission of the department is to mould students into professionals who are completely equipped right away to take up real-time industry challenges. The strength of the department is in its well qualified and experienced faculty members. Every year students are placed in top most IT companies like UST Global, Infosys, Wipro, CTS, Deloitte through campus recruitment.

ABOUT ICACC

The Conference aims to provide an International forum for exchanging ideas among researchers, students and teachers. It provides a platform to discuss their technical and research on interdisciplinary areas of Computer Science. It also aims to provide an outstanding interface to address recent trends and challenges in Computer Science and its numerous applications. After Peer reviewing selected papers will be published in IJSDR journal.
