Biodiversity - Green Audit Certificate

Santhigiri College, Thodupuzha, Kerala for AY 2021 - '22

This Green Audit including evaluation of Biodiversity conservation has been conducted for Santhigiri, Vazhithala PO, Thodupuzha, 685583, Kerala, in accordance with the International Standards for ISO 14000 family of standards set by ISO TC 207 and its sub-committees, and Biological Diversity Act, 2002 (Act No. 18 of 2003) of Government of India and other relevant mandates for promotion of sustainable living and education in a healthy environment.

In our opinion, the Institution has presented true and up-to-date data on the various aspects of working of this higher education institution before the audit team, and appropriate audit procedures have been completed for preparing this report. The assessments and recommendations are based on data presented before the team at the time of audit.

The audit methodology did combine physical inspection of the campus on several work days and holidays, with analytical reviews of relevant documents and activities, as well as interviews with the designated Staff and Students of the College.

This audit is conducted to ensure that a Green lifestyle is followed and implemented in the campus across all academic and non-academic departments, as well as the body of students undergoing studies in the College.

Green Audit 2021-'22 of Santhigiri College, Thodupuzha has found that the institution's per capita carbon footprint for the year is only 0.054 ton of CO₂ equivalent, a level well below the current 2021 national per capita average of 1.84 t CO₂, with **potential to develop early into a carbon neutral campus**. All efforts are taken to conserve, protect, and enrich the existing biodiversity and also to extend efforts even beyond the college boundary through outreach, and further by implementing the Green Protocol, and having a commitment to continue its green practices to positively impact the society at large.
