<u>Subject:Need of Syllabus Revision</u>

Dear Sir/Madam,

    We, at Santhigiri College of Computer Sciences, would like to bring to your attention the need for a revision of the current syllabus of the programme.

    1.Bachelor's Degree Programme in Computer Applications

    2.B.Com Degree Programme (Model II)
    3.Bachelor of Business Administration

    As your affiliated college, we have noticed that our students are facing difficulties in keeping up with the pace of the rapidly changing industry due to the outdated syllabus.

    We request your kind consideration in revising the syllabus to include the latest industry trends, technologies, and advancements. This will enable our students to be better equipped and trained to meet the challenges of the ever-changing industry.

    We would appreciate it if you could provide us with a tentative timeline for the revision process and any additional information or requirements that we may need to comply with.

    Thank you for your attention to this matter. We look forward to your response and hope for a positive outcome.

Sincerely,

Principal.
Fr. Paul Parakattel CMI
