### **REPORT ON HAIR DONATION**

<b>Name of Programme</b>	<b>KESHA DHAANAM MAHA DHAANAM</b>
<b>Objective of the programme</b>	The aim of this campaign is to create more awareness about hair donation, to inspire people to grow healthy hair and donate it for a noble cause. Donating hair for cancer patients is both easy and rewarding and anyone can do so. Our hair that takes so long to grow can be made into a beautiful wig for someone who really needs it to maintain a positive body image after her hair is shed due to chemotherapy.
<b>Target audience / Batches</b>	St. George High School, Muthalakodam Holy Family Nursing School Muthalakodam
<b>Date Conducted</b>	8 <sup>th</sup> June 2018
<b>Venue</b>	St. George Parish Hall, Muthalakodam
<b>Time and Duration</b>	10.30 am to 2.30 pm
<b>Description of program</b>	Donating hair is an easy way to help people who have experienced hair loss due to chemo or other treatments or medical problems. A well-made wig of human hair can boost self-esteem and improve a person's outlook, which goes a long way to helping them manage other symptoms and recover. Department of Social Work organized cancer awareness and Hair Donation Drive for the cancer patients and survivors in association with CANCURE foundation. The hair collected was handed over to CanCure Foundation which they recycle to Wig. The programme was inaugurated by Fr Jince Padinjarayil CMI, Vice Principal of Santhigiri College.

<b>Date Conducted</b>	August 21 <sup>st</sup> – 27 <sup>th</sup> 2018
<b>Venue</b>	Santhigiri College
<b>Description of program</b>	<p>The Annual Camp of NSS Unit of Santhigiri College was conducted from 21st to 27th August 2018. In the bitter phases of the massive flood which affected the entire state, it was extremely difficult to take the decision of conducting the Annual Camp during these days. But by considering the need of the hour, finally we decided to proceed with the camp and support the Santhidooth Mission through this way.</p> <p>The volunteers have reached the places to carry out the cleaning activities. Principal, Vice Principal, Programme Officers and other faculty members were also engaged themselves in cleaning activities. Flood and water logging have affected many places in Muvattupuzha of Ernakulam district and landslip caused serious damages to the houses in Poomala area of Idukki district. As the water recedes, cleanliness remains the greatest challenge in the area.</p> <p>The official inauguration of Annual Camp was conducted at Santhigiri College Auditorium on 21st August 2018 at 03.00 pm. The welcome address was delivered by the Programme Officer Mr. James Mathew. The meeting was presided over by Rev. Dr. Bobby Antony CMI (Principal). Mr. P. J. ### **REPORT ON FLOOD RELIEF CLEANING PROGRAMME**

We launched a massive cleaning drive in the affected areas of Ernakulam and Idukki districts. The Cleaning Mission started its activities on 21<sup>st</sup> August 2018. The first venue for cleaning was Muvattupuzha Town Hall itself. Since all the chairs and inside spaces were soiled from the flood, an extensive cleaning process was needed in the Municipal Town hall. Under the supervision of Principal, Vice Principal and Programme Officers, more than 80 volunteers were involved in the cleaning there itself. At the same time, the other volunteer groups went to different parts of the town for cleaning.

We spent two days – 21<sup>st</sup> & 22<sup>nd</sup> August 2018, for cleaning in Muvattupuzha. Our volunteers cleaned about 25 houses in Murickal Colony. The other places were Muvattupuzha Govt. school, Rackad Anganvady, Good Samaritan Oldage home etc..

On 23<sup>rd</sup> August 2018, as per the direction of the Thodupuzha MLA Mr. P. J. Joseph, the volunteers moved towards the Methotty - Poomala tribal areas of Idukki District. Landslide had caused serious damages in these areas. NSS volunteers were divided into three groups and carried out the activities, such as removal of soil from the houses, cleaning and other necessary services. Panchayath authorities and localites have also joined with the NSS team.

Later we extended this service to few houses in Chalakudy which were situated in the banks of Periyar River. On a later date, one of the team went to Karimban in Idukki district and cleaned 5 houses there also.

### **REPORT ON COUNSELING PROGRAMME**

The Counseling Programme undertaken an effort of visiting various Relief Camps and meeting the flood victims for the purpose of understanding their situation, feelings and provide possible mental support through counseling. This team consisted of trained MSW students also, along with the NSS volunteers. The team visited various Relief Camps in Idukki district such as Malayinchy, Peringasserry, Cheenikuzhi and Uppukunnu on 26<sup>th</sup> and 27<sup>th</sup> August 2018. It was a unique experience for the volunteers.

### **REPORT ON FUND RAISING PROGRAMME**

For supporting the flood victims in the best possible way and arranging facilities for them, we decided to incorporate a 'Fund Raising Mission'. Through conducting different campaigns from 23<sup>rd</sup> – 2<sup>nd</sup> August 2018 in and outside the campus and with the immense help of the Management, student volunteers, teachers and other stakeholders, were able to collect an amount of 4 lakhs in a short span of time. This amount was utilized for buying materials for the flood victims and arranging facilities for them.

### **REPORT ON REHABILITATION PROGRAMME**

The purpose of the formation of this mission was to provide necessary support for the people who return from the Relief Camps to homes, in association with the Cleaning Mission. To accompany them to their houses, help them to make the arrangements and distribute the necessary items for their survival were the tasks performed by these volunteers. The team members distributed essential items such as rice, cooking oil, coconut, tea powder, sugar and woolen blankets to several houses in Muvattupuzha and Idukki regions.

### **REPORT ON EDUCATION AID PROGRAMME**

Most of the students in the flood affected areas have lost their books and other study materials. In order to support these groups of students by providing test books, uniforms and other study materials, we formed the mission named Education aid Mission. During the flood relief programmes, we were able to identify several students in such a situation and provided support.

Another noticeable aspect of this Mission was the support provided to our own students from the flood affected areas. As part of this Mission, the management decided to offer a reduction of fee upto 50% during the rest of the Course period for the deserved students. As per this, 07 students from various courses have received the concession.

### **REPORT ON HOUSE CONSTRUCTION PROGRAMME**

Even though we have assisted the reconstruction and restructuring of many houses which were partially or fully demolished due to the flood, we did not consider the idea of total construction of a house during the relief programmes; but when we saw the extremely pathetic condition of the house of Mrs. Saly Sebastian, we decided to undertake the serious responsibility of making a house for her.

Due to the high landslide during the flood period, the house was almost destroyed and was not in a position to stay further. The financial condition of the family was also worse and it was impossible to build a new house by them. In such a situation, the NSS unit of Santhigiri College decided to carry out the construction of a new house.

Initially, we started the works for the fund collection by organizing a campaign in the College itself - among the students, teachers and non-teaching staff. A good amount has been raised through this way. The management was agreed to contribute a substantial amount and the PTA was also offered a good contribution.

Along with this, we decided to print and distribute coupons to the students for accelerating the fund collection process, which yielded a good result. The volunteers tried their level best to collect the sufficient fund for the project.

The foundation stone for the new house was laid on 14<sup>th</sup> of January 2019 by Principal Fr. Dr. Bobby Antony CMI, in the presence of Vice Principal Fr. Jince Padinjarayil CMI, Manager Fr. Mathew Kalappura CMI, Programme Officers Mr. James Mathew and Ms. Elsa Bosco, other faculty members, volunteers and family members. The construction works were started immediately after that.

### **REPORT ON CONTINUOUS SUPPORT PROGRAMME**

The scale of damage happened due to the flood is very wide. It is an enormous task to rebuild the devastated areas also. We realized that to stop the activities in a short period doesn't yield the desired results; so we decided to continue the programmes in the possible areas. In this context, "Continuous Support Mission" has been established.

We decided to offer support in the following areas in a long term perspective, under this banner:

- Provide assistance in the construction of houses and buildings
- To connect the flood victims with the government departments, officials, clubs and persons where they can achieve some kind of support
- To draw and develop projects for the welfare of the affected people and development of the affected areas.

### **REPORT ON EDAMALAKKUDY - SCHOOL DROP OUT SURVEY**

#### **Edamalakudy- Survey and Intervention March 2019 and May 2019**

Social Work Department, Santhigiri College of Social Sciences was approached by the Child Welfare Committee, Kerala State Government, in order to carry out a comprehensive survey focusing on the children in Edmalakudy. The Committee suspected that despite the various resources in place by the government, the rights of the children especially their right to education was not upheld and the reasons for this remained ambiguous.

In order to acquire clarity on the issue with factual information, 42 students from Santhigiri College (28 students of Semester 2 MSW batch and 14 NSS volunteer students) along with 7 faculty members set out to complete a survey on the 21<sup>st</sup> March 2019 which last three days and covered 26 Tribal settlements all of which is located in a protected but remote forest area covering 35000 acres of deep forest within the Western Ghats.

The Survey was conducted with the support of the Edamalakudy Grama Panchayat members, Child Welfare Committee Members (Idukki Chapter), the tribal leaders and of course each and every member of the Muthuvan Tribe occupying the Edamalakudy region.

The survey covered all of 482 students between the age group of 3 -18 years from the Edamalakudy Gramapanchayat. It was identified that there was 25.1% drop out in the year 2018-2019. The dropout rate of boys, 30%, was slightly more than that of girls, 21.09%.

The reasons for the drop outs were identified to be varied. The settlements are separated with the dense jungle and distance and treacherous conditions of travel for the families and the staff makes the travel to and from the settlements difficult and identified as the main cause that affected the children and their education. Heavy monsoon adds difficulty to travel from one settlement to other with educational facilities lead to the lack of registration of new students at the starting of an academic year. This also led to increase in drop out in each academic year.

In addition to this lack of educational institutions like aganwadis and schools in each settlement, there is a lack of safe infrastructure, teaching aids and sanitation facilities in the existing educational provisions and teachers are not consistently available at the provisions due to lack of appropriate monitoring, majority of students and parents are not aware of the importance of education, poverty and economic backwardness is also major problems that lead to drop out of children.

Following on from the survey an intervention was planned to alleviate some of the identified causes, Department of Social Work along with the support of Edamalakudy Grama Panchayat planned and executed an intervention phase. This phase covered 7 settlements and carried out door to door awareness programmes, cleaned and painted 3 schools and painted 5 anganwaadis and direct work carried out to ensure that drop out students returned to their respective education provision.

### **REPORT ON SANTHIGIRI MARRIAGE BUREAU**

Marriage Bureau is a unique initiative of Santhigiri College. In this Matrimonial Data Bank disabled persons and those non-disabled persons who wish to have a partner with disability can register their names. Marriage and family is the right of every human being and the disabled persons also wish to institute families. But the disability creates several hindrances and Santhigiri Marriage Bureau will be certainly a helping hand in this issue. During the academic year 2018-19 four couples got married.
