VAZHITHALA . P.O , THODUPUZZHA - 685 583 , KERALA , INDIA

WEC and Gender Equity Cell

The objective of the programme is to educate the girl students about the different types of violence against them. To provide knowledge about the different tips of self-protection to keep in mind in different situations. Self-defense is to survive and escape without injury by deterring or stopping aggressive behavior. It is not to win a fight or harm another person. In fact, the best defense is to avoid dangerous people and places in the first place. To show case and give demo on different self-defense techniques, the Women Empowerment Cell (WEC) of Santhigiri organized a session in Santhigiri indoor auditorium. A real time orientation class has been provided by the Women Police officers, Thodupuzha Police Station from 11.00 to 12.45 pm. The inaugural function ended with Santhigiri Anthem. Following that, cultural programmes were started. There were marvelous performances from the students of different classes as per their interests and talents. After that, adding flavor to the function, there was a band performance from 'ASTRA 13' team.

Blood donation camp in association with IMA

The primary objective of the blood donation camp organized by the National Service Scheme (NSS) is to promote

voluntary blood donation among students and the local community, thereby ensuring a sufficient and safe supply of blood for medical

emergencies. The camp aims to raise awareness about the critical need for blood donations, engage youth in social responsibility, and foster a culture of altruism and community service. By facilitating this event, we seek to strengthen community bonds, support local healthcare initiatives, and encourage healthy habits among participants. The program was conducted on 02/02/2022.

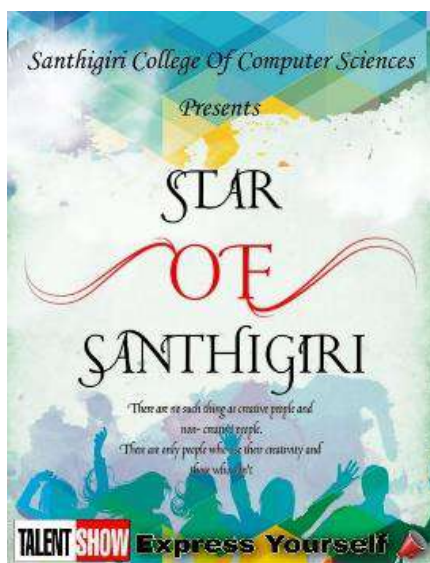

Star of Santhigiri 2023

Santhigiri College of Computer Sciences was established with the powerful vision: “Awakening to the Future”. Here we focus on the holistic and integral development of the individual, so beyond the academic we give a better attention to the non-academic activities for developing their extracurricular talents.

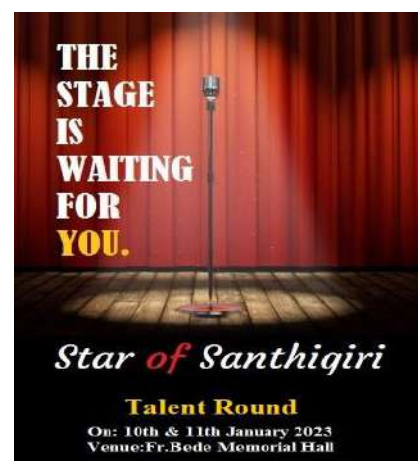

Talents are the beautiful gifts of God. God has bestowed every individual in this world with unique skills and talents. Some talents are in-born whereas some need to be sharpened and brought to perfection by training. Very few individuals explore themselves and find out the talents hidden within them. Later they shine like stars among the people thereby reaching heights of ecstasy and spreading their unique light that brings cheers of joy, happiness and enlightenment among the people. To be a star is to spread light, inspiration and enthusiasm to many. The **Star of Santhigiri** program however encourages the unique stars to come to light. It provides an opportunity among the students to explore the uniqueness in themselves which indeed helps the budding talents to flourish and grow in their self-esteem and passion. It aim at the upliftment of the extra-ordinary from the ordinary.

Different Rounds conducted in Star of Santhigiri are

1. Talent round-First selection round
2. Grooming Section
3. Second selection
4. Semi final
5. Final

The first round of Star of Santhigiri 2023 was held on 10th and 11th of January. There were 65 candidates at the initial stage. The round was based on talent. Each candidate got a chance to express their talents in a most creative way followed by which 25 students were selected to the next round.

SELECTION OF 25

On 13/01/2023 at 10.30am Fr. Paul Parakkattel CMI, Principal announced the final 25 contestants of Star of Santhigiri and distributed a badge showing the contestants chess numbers for the following rounds.

Paul Parakkattel, Principal of Santhigiri College, Mr. Ranju Scaria, Vice President and Branch Head of Federal Bank, Mr. T Suresh, Mathrubhumi Regional Manager, Mr. N R Anilkumar, HoD of the English Department at Kerala Varma College, and Mr. George Thomas, Mathrubhumi Sub Editor. The competition aims to encourage students to speak confidently in front of an audience. Following the event, posters and photos will be created, and a detailed report will be prepared.

Voice the Pain Programme

As part of International Women’s Day Celebrations a Dysmenorrhea Awareness Programme named “Voice the Pain” was conducted on the campus on 8th March 2023. Department of psychology in association with Women’s Cell of Santhigiri College celebrated International Women’s day celebration. As part of Women’s Day celebrations a Dysmenorrhea Awareness Programme called “Voice the Pain” was conducted on 8th March 2023. The celebration was held on the theme "Embrace Equity", theme is to get the world talking about why equal opportunities aren't enough. People start from different places, so true

inclusion and belonging require equitable action. As part of the Voice the Pain Programme a short and informative session about menstruation and dysmenorrhea was given by Psychology final year students and a menstrual pain stimulator was set up to create awareness among young men about menstrual cramps. This programme enabled boys to experience the pain of menstruation and to get an awareness about it. Ten male students from each attended the program and the students were really interested and eager to experience the menstrual pain stimulator. The program was successful in creating awareness about dysmenorrhea and about menstruation in general.
